### Tools

\* : SUGGESTED

### Terms & Conditions

1. The assembly and installation of Products purchased by a Customer shall be performed by the Customer at the Customer's own responsibility.  
 2. Output Inc. shall not assume any legal liability in relation to the assembly and installation of Products. Output Inc. shall not assume legal liability for damages caused to the Product or other accidents caused or damages incurred while the Customer is assembling or installing the Products. The foregoing shall not apply to damages arising from a cause attributable to Output Inc.

### California Prop 65 Warning

In manufacturing some of the materials used for this product, chemicals that contain substances known to the State of California to cause cancer and birth defects or other reproductive harm were used.
